

Logo Design

Logo Design Options & Prices

Affordable logo design - we can design corporate logos, fun cartoon logos, industrial logos, high tech logos, animated logos and many more!

Choose from the following three logo design options below, then give us a call. We will then take a brief from you and start to create the number of logos you have chosen. Then we will then send you the logos by email in .pdf format for viewing. You then have the opportunity to provide feedback about the logo designs and this will assist us in the next stage of the design.

Payment

Payment is required in full prior to commencement.

Time frame

Logo designs take approx. 3-5 days depending on workflow at the time of ordering. If you have an urgent job please contact us prior to ordering to find out what the current turnaround time is.

Copyright

You fully own the copyright and are free to register the logo at the USPTO. We can also place the registered mark or the TM mark on your logo if requested. We can help with the trademark for an additional cost.

Delivery of your Logo

Logo design samples and proofs are sent to you via email. Once you have approved your logo we will supply your final logo on CD in a range of different sizes and formats suitable for both web use and printing purposes, such as stationery, signage, t-shirts. You will also receive the original artwork file on the CD.
